

## **CRITICAL LIST**

### **Important Information at Handover**

I,....., hereby acknowledge the following points were discussed to me and my travel partners and that we understand the content of these points.

1. In the case of any emergency ( mechanical failure, border crossing problems ) the following number needs to be used as the 24 hour Emergency Number + 27 + 63 061 5701.
2. Client to confirm their arrival date and time 3 days prior to the emergency number by text.
3. No night time driving.
4. Keep to the speed limits ( different for various countries ) and slow down on winding & dirt roads.
5. Diesel, type, dual tank and what to do when you have filled up with dirty diesel.
6. Startup of the vehicle + idle.
7. Shut down of the vehicle + idle.
8. Hi Range / Low Range. Stand still, engage, drive 5 meters, check. Diff lock only on in Low Range.
9. Use of Hi-Lift Jack and jacking points.
10. Air compressor and tyres pressures. 20% of normal pressures.
11. Use of the fridge and maintaining your battery's life.
12. Use of water containers / built in water tank.
13. Daily maintenance ( water, oil and tyres checks ). Relay and fuses, what to do and where to check.
14. Use of documents to cross borders.
